RESPONSIBILITY

The Issuer accepts responsibility for the information contained in these Final Terms which, when read together with the Offering Memorandum referred to above, contain all information that is material in the context of the Notes.

MATERIAL ADVERSE CHANGE STATEMENT

RELATIONSHIP WITH THE DEALERS

Some of the Dealers and their affiliates have engaged in, and may in the future engage in, investment banking and other commercial dealings in the ordinary course of business with us or our affiliates. They have received, or may in the future receive, customary fees and commissions for these transactions. In addition, in the ordinary course of their business activities, the Dealers and their affiliates may make or hold a broad array of investments and actively trade debt and equity securities (or related derivative securities) and financial instruments (including bank loans) for their own account and for the accounts of their customers. Such investments and securities activities may involve securities and/or instruments of ours or our affiliates. Certain of the Dealers or their affiliates that have a lending relationship with us routinely hedge their credit exposure to us consistent with their customary risk management policies. Typically, such Dealers and their affiliates would hedge such exposure by entering into transactions which consist of either the purchase of credit default swaps or the creation of short positions in our securities, including potentially the Notes offered hereby. Any such short positions could adversely affect future trading prices of the Notes offered hereby. The Dealers and their affiliates may also make investment recommendations and/or publish or express independent research views in respect of such securities or financial instruments and may hold, or recommend to clients that they acquire, long and/or short positions in such securities and instruments.

Certain of the Dealers and/or their affiliates have expressed an interest in purchasing Notes for their own accounts in an aggregate amount that is not expected to exceed 45.0% of the total principal amount of the Notes in this offering, of which approximately 12.4% of the total principal amount of the Notes is expected to be allocated to certain affiliates of either BTG Pactual US Capital, LLC or the Issuer. Purchases of Notes in the offering by affiliates of the Dealers or affiliates of the Issuer may give rise to certain conflicts of interest. The terms of the offering, including the price of the Notes, were determined by the Issuer through negotiations with the Dealers, and no Dealer or any of its affiliates (including any affiliate of the Issuer) has received preferential terms in connection with the offering.

GOVERNING LAW AND JURISDICTION

The Notes and all matters arising from or connected with the Notes are governed by, and shall be construed in accordance with, English law. The courts of England are to have jurisdiction to settle any disputes which may arise out of or in connection with the Notes, the Coupons, the Talons or the Trust Deed and accordingly any legal action or proceedings arising out of or in connection with the Notes, the Coupons, the Talons or the Trust Deed ("Proceedings") may be brought in such courts.
