

Pricing Supplement dated 18 March 2025

BANGKOK BANK PUBLIC COMPANY LIMITED

acting through its Hong Kong Branch

Issue of US\$1,000,000,000 6.056% Tier 2 Subordinated Notes due 2040

(the “Notes”)

under the Bangkok Bank Public Company Limited

US\$9,000,000,000 Global Medium Term Note Program

This document constitutes the Pricing Supplement relating to the issue of the Notes described herein.

Terms used herein shall be deemed to be defined as such for the purposes of the Terms and Conditions of the Notes Other than the Additional Tier 1 Subordinated Notes (the “**Conditions**”) set forth in the Offering Memorandum dated 13 March 2025 (the “**Offering Memorandum**”). This Pricing Supplement contains the final terms of the Notes and must be read in conjunction with such Offering Memorandum.

The Notes are complex and high risk. There are risks inherent in the holding of the Notes, including the risks in relation to their subordination in right of payment to the prior payment in full of all claims of all creditors of the Issuer whose claims rank senior to the Notes upon the occurrence of a Winding-Up (as defined in Condition 3(b) on page 201 of the Offering Memorandum) of the Issuer, the circumstances in which the Notes may be written down or written off (whether in whole or in part, before a reduction of the Issuer’s registered capital in full or upon or after such capital reduction) and the implications on holders of the Notes (such as a substantial loss). The circumstances in which such holders of the Notes may suffer loss as a result of holding the Notes are difficult to predict and the quantum of any loss incurred by investors in the Notes in such circumstances is also highly uncertain. By purchasing or acquiring the Notes, each holder (including each beneficial holder) of the Notes will be deemed to have acknowledged, understood, and been able to assess and accept all the risks associated with their investment in the Notes, particularly on those relating to the subordination and loss absorbing features of the Notes.

The Notes may be written down in whole or in part upon the occurrence of a Non-Viability Event as defined in Condition 3(d)(x) on page 205 of the Offering Memorandum. Investors in the Notes should read the section entitled “Risk Factors” beginning on page 30 of the Offering Memorandum for a discussion of risks relevant to an investment in the Notes, including but not limited to the risk factors entitled “The remedies available pursuant to an Event of Default in relation to the Subordinated Notes are limited”, “The terms of Subordinated Notes contain loss absorption provisions” and “The Bank’s obligations under the Subordinated Notes are subordinated and could impair an investors’ ability to enforce its right or realize any claims on the Subordinated Notes.” The Issuer intends to include the Notes in the Tier 2 capital of the Issuer, in compliance with applicable regulations.

PRIIPs REGULATION — PROHIBITION OF SALES TO EEA RETAIL INVESTORS — The Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the European Economic Area (“**EEA**”). For these purposes, a retail investor means a person who is one (or more) of: (i) a retail client as defined in point (11) of Article 4(1) of Directive 2014/65/EU (as amended, “**MiFID II**”) or (ii) a customer within the meaning of (EU) 2016/97 (the “**Insurance Distribution Directive**”), where that customer would not qualify as a professional client as defined in point (10) of Article 4(1) of MiFID II. Consequently, no key information document required by Regulation (EU) No 1286/2014 (as amended, the “**PRIIPs Regulation**”) for offering or selling the Notes or otherwise making them available to retail investors in the EEA has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the EEA may be unlawful under the PRIIPs Regulation.

PRIIPs REGULATION — PROHIBITION OF SALES TO UK RETAIL INVESTORS — The Notes are not intended to be offered, sold or otherwise made available to and should not be offered, sold or otherwise made available to any retail investor in the United Kingdom (“**UK**”). For these purposes, a retail

investor in the UK means a person who is one (or more) of: (i) a retail client, as defined in point (8) of Article 2 of Regulation (EU) No 2017/565 as it forms part of domestic law by virtue of the European Union (Withdrawal) Act 2018 (“**EUWA**”); or (ii) a customer within the meaning of the provisions of the Financial Services and Markets Act 2000 (“**FSMA**”) and any rules or regulations made under the FSMA to implement Directive (EU) 2016/97, where that customer would not qualify as a professional client, as defined in point (8) of Article 2(1) of Regulation (EU) No 600/2014 as it forms part of domestic law by virtue of the EUWA. Consequently no key information document required by Regulation (EU) No 1286/2014 as it forms part of domestic law by virtue of the EUWA (the “**UK PRIIPs Regulation**”) for offering or selling the Notes or otherwise making them available to retail investors in the UK has been prepared and therefore offering or selling the Notes or otherwise making them available to any retail investor in the UK may be unlawful under the UK PRIIPs Regulation.

NOTIFICATION UNDER SECTION 309B OF THE SECURITIES AND FUTURES ACT 2001 OF SINGAPORE, AS AMENDED OR MODIFIED FROM TIME TO TIME — The Notes are capital markets products other than prescribed capital markets products (as defined in the Securities and Futures (Capital Markets Products) Regulations 2018 of Singapore) and Specified Investment Products (as defined in MAS Notice SFA 04-N12: Notice on the Sale of Investment Products and MAS Notice FAA-N16: Notice on Recommendations on Investment Products).

The offering of the Notes in Thailand has not been, and will not be, approved by the Office of the Securities and Exchange Commission of Thailand (the “**Thai SEC**”). Any offering or distribution of the Notes in Thailand is not legal without the Thai SEC’s prior approval. This document and any documents relating to the offering of the Notes, as well as information contained therein, may not be circulated or distributed in Thailand, as the offering of the Notes is not an offering of securities in Thailand, nor may they be used in connection with any offer for subscription or sale of the Notes in Thailand.

1	Issuer:	Bangkok Bank Public Company Limited
	Branch:	Hong Kong

8	Maturity Date:	25 March 2040
9	Interest Basis:	6.056% Fixed Rate (further particulars specified below)
10	Redemption/Payment Basis	(further particulars specified below)
11	Change of Interest or Redemption/Payment Basis:	Not Applicable
12	Put/Call Options:	Applicable (further particulars specified below)

- 13 Listing: SGX-ST
- 14 Status of Notes: Subordinated notes, qualified to be included in Tier 2 capital of the Issuer in accordance with applicable law and regulations and under the relevant notification of the Bank of Thailand
- 15 Method of distribution: Syndicated

PROVISIONS RELATING TO INTEREST (IF ANY) PAYABLE

- 16 **Fixed Rate Note Provisions** Applicable
- (i) Rate of Interest: From and including the Issue Date to but excluding 25 March 2035 (the “**Call Date**”), 6.056 per cent. per annum payable semi-annually in arrear.
- From and including the Call Date to but excluding the Maturity Date, a fixed rate per annum (expressed as a percentage) equal to the sum of the then prevailing U.S. Treasury Rate plus the Margin, payable semi-annually in arrear.
- “**Margin**” means 1.78 per cent. per annum.
- “**U.S. Treasury Rate**” means the rate in percentage per annum notified by the Calculation Agent to the Issuer and the Noteholders (in accordance with Condition 16) equal to the yield on U.S. Treasury securities having a maturity of five years as set forth in the most recently published statistical release designated “H.15(519)” under the caption “Treasury constant maturities” (or any successor publication that is published weekly by the Board of Governors of the Federal Reserve System (<https://www.federalreserve.gov/releases/h15/current/default.htm>) and that establishes yields on actively traded U.S. Treasury securities adjusted to constant maturity under the caption “Treasury constant maturities” for the maturity of five years) at 5:00 p.m. (New York time) on the Calculation Date. If such release (or any successor release) does not display the relevant yield at 5:00 p.m. (New York time) on the Calculation Date, “U.S. Treasury Rate” shall mean the rate in percentage per annum as notified by the Calculation Agent to the Issuer and the Noteholders (in accordance with Condition 16) equal to the semi-annual equivalent yield to maturity of the Comparable Treasury Issue, calculated using a price for the Comparable Treasury Issue (expressed as a percentage of its principal amount) equal to the Comparable Treasury Price for the Calculation Date. If there is no Comparable Treasury Price on the Calculation Date for whatever reason, “U.S. Treasury Rate” means the rate in percentage per annum as notified by the Calculation Agent to the Issuer and the Noteholders (in accordance with Condition 16) equal to the yield on U.S. Treasury securities having a maturity of five years as set forth in the most recently published statistical release designated “H.15(519)” under the caption “Treasury constant maturities” (or any successor publication that is published weekly by the Board of Governors of the Federal Reserve System (<https://www.federalreserve.gov/releases/h15/current/default.htm>) and that establishes yields on actively traded U.S. Treasury securities adjusted to constant maturity under the caption “Treasury constant maturities” for the maturity of five years) at

5:00 p.m. (New York time) on the last available date preceding the Calculation Date on which such rate was set forth in such release (or any successor release).

“Calculation Business Day” means any day, excluding a Saturday and a Sunday, on which banks are open for general business (including dealings in foreign currencies) in New York City, Thailand and London.

“Calculation Date” means the Calculation Business Day preceding the Call Date.

“Comparable Treasury Issue” means the U.S. Treasury security selected by an independent bank of international repute (selected by the Issuer) and notified to the Calculation Agent as having a maturity of five years that would be utilised, at the time of selection and in accordance with customary financial practice, in pricing new issues of corporate debt securities with a maturity of five years.

“Comparable Treasury Price” means, with respect to any Calculation Date, the average of three Reference Treasury Dealer Quotations for such Calculation Date.

“Reference Treasury Dealer” means each of the three nationally recognised investment banking firms selected by Issuer in good faith and notified to the Calculation Agent that are primary U.S. Government securities dealers.

“Reference Treasury Dealer Quotations” means with respect to each Reference Treasury Dealer and any Calculation Date, the average of the bid and asked prices for the Comparable Treasury Issue, expressed in each case as a percentage of its principal amount, quoted in writing to the Issuer (and notified by the Issuer to the Calculation Agent) by such Reference Treasury Dealer at 5:00 p.m. (New York time), on such Calculation Date.

(ii)	Interest Payment Date(s):	25 March and 25 September in each year adjusted in accordance with the Modified Following Business Day Convention
(iii)	Fixed Coupon Amount(s):	US\$30.28 per Calculation Amount
(iv)	Broken Amount(s):	Not Applicable
(v)	Day Count Fraction (Condition 4(m)):	30/360
(vi)	Interest Determination Date(s) (Condition 4(m)):	Not Applicable
(vii)	Other terms relating to the method of calculating interest for Fixed Rate Notes:	Not Applicable
